NOTES AND PRECIS.

D.No. 2387 S.N. 1

An association known as 'The Bangalore Schools Athletic Association' has been formed in the Station. The Association aims at bringing together for wholesome competition in games and athletics the students of the various schools in the C. & M. Station, Bangalore. It is not clear whether the activities of the Assiciation are thrown open to European Schools. Rao Sahib A. Thangavel Mudaliar is the President of the Association. The Inspector of Schools is one of the Vice-Presidents.

membership is open to "all schools in the C.M.Stn." Vide.

The Inspector of Schools has made the following requests on behalf of the Association:-

(1) That the Hon'ble the Resident may become the Patron of the Association.
(2) That a recurring grant of Rs. 100 per annum be made to the Association from the M.A.T. Revenues.

(1) Resident becoming the Patron

The President of the Association when requesting the Resident to become the Patron of the Association has also mentioned that he may give a Trophy in his name to be awarded to the School that wins the all-round championship events in the next sports. The Inspector has not touched upon the subject of the Trophy in his letter.

There

(1)

There seems to be no objection to the Resident becoming a Patron of the Association. If approved a grant for a Trophy may also be made out of the Resident's Discretionary grant for 1935-36. A cup is being given by the Resident annually for the Inter High School Sports held in the City Y.M.C.A. in which some of the European as well as Indian Schools in the Station take part.

(2) Recurring grant.

The Inspector says that he has set apart a sum of Rs. 100 in the current year's budget for this purpose. The Hon'ble the Resident is competent to sanction the grant. If approved a grant of Rs. 100 may be paid during the current year.

D.No. 8645 S.N.

The Bangalore Schools Athletic Association has been granted a sum of Rs. 100 from the M.A.T. funds during the current year on the recommendation of the Inspector of Schools. When recommending this grant the Inspector stated that he had recommended to the President, Municipal Commission for the continuance to this Association of the grant of Rs. 200 paid by the Municipal Commission to the Field and Games Assocation which is now defunct. The Municipal Commission have resolved that a grant of Rs. 100 be paid to the Association and that it be met from the closing balance of the current year's budget.

In view of the fact that the aim of the Association is to bring together for wholesome competition in games and athletics the students of various schools in the C. & M. Station of Bangalore, it seems that the Association deserves assistance from the Municipal Commission. The resolution does not contemplate an annual recurring grant but confines to a grant of ~~Rx.~~ Rs. 100 to be met from the closing balance of the current year. It seems desirable in cases of this kind not to commit to recurring grants but to allow the request to come up annually and to decide the case each time on merit. The Govt. grant to the Association is for the present sanctioned only for a year. If approved the resolution may be confirmed as it stands.

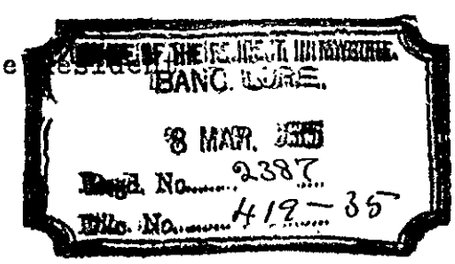
To

The Secretary to the Hon'ble the Resident in Mysore, Bangalore.



Sir,

I have the honour to enclose herewith a copy of the letter dated 17-12-34, from the President, "The Bangalore Schools Athletic Association", Bangalore, together with copies of the literature of the Association.

2. I understand that some years ago (in 1912, I believe) there existed an Association called 'The Field and Games Association' for conducting Inter-School Sports, with a fund managed by the Health Officer. I also understand that the Municipal Commission was paying an annual grant of Rs.200/- to the Association. I have addressed the President, Municipal Commission, Bangalore, on the subject and recommended the continuance of the grant to the new Association.

3. I heartily commend for the Hon'ble the Resident's consideration, the request of the Association that the Hon'ble the Resident may become its Patron. The contribution from the Municipal Commission, if granted, will not be sufficient for the activities of the Association, and I strongly recommend that the Hon'ble the Resident be moved to sanction a recurring grant of Rs.100/- from the Assigned Tract Revenues.

4. The programme for coming year includes:-

(2

In the months of July and August.

Hockey League for Seniors.

-do- Juniors.

-do- Sub-Juniors.

In the months of September and October.

Cricket (for Seniors and Juniors) and Football (for Seniors and Juniors and Sub-Juniors).

In the months of November and December.

Athletic Sports.

In January and February.

Volley Ball and Badminton for Seniors and Juniors.

I consider that these Inter-School Competitions will have a most healthy influence. They will not only stimulate athletic activities in the schools of all grades but will ensure that these activities are conducted under proper supervision, and in the right spirit. I have reserved a sum of Rs.100/- for this purpose under 'Account-II-Education-G-3-Miscellaneous' in the current year's Mysore Assigned Tract budget.

I have the honour to be,

Sir,

Your most obedient servant,

Letter dated 17th December, 1934, from Rao Saheb A. A. Thangavelu Mudaliar Avl., President, The Bangalore Schools Athletic Association, Bangalore, to the Inspector of Schools, Coorg and Bangalore.

I am directed to bring to your kind notice that an Association which has been recently formed called the Bangalore Schools Athletic Association.

An Association called 'The Field and Games Association' for conducting Inter-School Sports existed under the Presidency of Mr. F. J. Richards, I.C.S., Collector, ~~Collector~~, Civil and Military Station, Bangalore. Mr. Richards with the help of th then Health Officer Dr. Amritraj carried on the working of the Association for some years. With the transfer of the Collector, Mr. Richards, the Association apparently ceased to function. The Field and Games Association, open only to schools, conducted all the Inter-School conpetitions.

The object of the new Association that has now been formed is not only to revive the old Association in another name but also to bring together for wholesome competition in games and athletics the students of the various schools in the Civil and Military Station, Bangalore. The Association aims at promoting the spirit of espirit de corps among the pupils of the various schools, belonging to different communities.

A pamphlet explaining the constitution and bye-laws of the Association is enclosed herewith.

The following are the office-bearers of the Association:-

President.		M.R.Ry. Rao Saheb A. Thangavelu Mudaliar Av
Vice-Presidents:-		Messrs. F.F.C. Edmonds, M.A., B.Sc., Inspector of Schools, Coorg & Bangalo B.G.Rajagopal Mudaliar, Vice-President, Municipal Commission, Bangalore, V. K. Obedullah, Municipal Commissioner
	and	Miss Pereira, Municipal Commissioner.
Treasurer.		Mr. N. Maindappa, B.A., L.T.,
Secretary.		Mr. K.S.Venkataraman, M.A., Director of Physical Education.

Executive Committee Members (in addition to Office-Bearers

The Headmasters of all Secondary Schools and the Head master, Government Training School, Bangalore, the Di

of Physical Education and five representatives elected by the General Body from among the Elementary Schools.

From the response which the organisers of this Association have met with from the teachers and Managers of the various schools in the Station, I am in a position to assure you that both the teachers and the Managers are entirely in support of this Association.

The Association in right earnest has begun its work. Last month a Sub-Junior Foot-ball Tournament open only to Elementary Schools was conducted and the annual Athletic Sports took place on the 1st December 1934.

The Association is still in its Infant stage and as such is in need of financial help. Nothing effectively could be done without adequate finance and help.

I request you to kindly extend your hearty co-operation and request the Hon'ble the Resident in Mysore to be the Patron of the Association and give a Trophy in his name to be awarded to that School that wins the all-round championship events in the next sports. I also request you to address the Secretary to the Hon'ble the Resident in Mysore and the President, Municipal Commission, Bangalore, to sanction a recurring grant to meet the expenses of the Association.

I understand that for the old 'the Field and Games Association' the Municipal Commission, paid a grant of Rs.200/- per annum.

Thanking you

Yours faithfully,

(Sd.) A.Thanagavelu Mudaliar,

President.

The object of the new Association that has now been formed i not only to revive the old Association in another name but also to bring together for wholesome competition in games and athletics the students of the various schools in the Civil and Military Station, Bangalore.
